

Johnson's Shop

GB/REE/2608201100

In 1971 Sheila Johnson began trading in the premises that now houses Reepham Post Office. Both floors were used to sell children's, women's and men's wear, as well as wool and haberdashery. She also dealt with shoe repairs, knitting services and dry cleaning.

Sheila moved across the road in 1974 and the Post Office moved into its present position.
