WHITWELL COMMON CHARITY.

WHITWELL,

7th June, 1928.

Dear Sir (or Madam),

The Trustees of the Whitwell Common Charity have had under their consideration the amendment of the Rules for the Management of the Common, which have been referred to the Charity Commissioners and by them approved. A copy of these approved Rules is enclosed.

In connection with Rule 10, you will notice that it is necessary that you should apply for written permission to keep a Fowl House on the Common, if you wish to do so.

In the latter case, will you please complete and return to me the perforated form of application at the end of this letter not later than June 28th.

I am to point out that failure on the part of any registered occupier to comply with any of the approved Rules will render the said occupier liable to a fine of 2/6 a week.

Yours faithfully,

A. GEAKE,

Hon. Secretary to the Trustees.
